Demand for a place at CAPs is high, and numbers are limited. This registration application and £50 fee, secures your child's place at the pre-school. The fee is not refunded when your child joins the pre-school. Equally, if you change your mind, and decide not to send your child to CAPs, the fee will not be refunded. If, for reasons beyond our control, we are unable to accommodate your child at CAPs, we will refund the fee. Should you decide you no longer need/want the place, we will not retain the details on this application form (see our Privacy Notice).

What happens next?

- We will soon confirm receipt of this application and your registration fee.
- Nearer the time of admission, we will send you an 'Enrolment Pack' with all the consent forms, emergency contact details and information etc that we need to care for your child safely. For September admissions, packs will usually be sent in May/June, and for January admissions in November.

If you would like to visit the pre-school before you register, please contact us. We have open days throughout the year and would be happy to show you around.

Once registered, we will offer you and your child an 'Induction Visit' (closer to the time of their start date) to come into setting, meet the staff, and get accustomed to CAPs before you join us.
